WHERE IS MRS CHRISTIE?

Presented by Liz Grand

Sunday 23 June Sackville Theatre

In 1926, Agatha Christie disappeared and was presumed dead after her car was found crashed. Twelve days later, she was found in a luxury hotel enjoying life. She claimed for the next forty years that she has amnesia and could remember nothing.

Find out what really happened!

LP SWING ORCHESTRA

WITH JOE STILGOE

Britain's most popular Big Band in concert with the man The Sunday Times describes as "A very British Harry Connick Jr". A programme commissioned especially for Sevenoaks Summer Festival, featuring the songs of Cole Porter, Irving Berlin & George Gershwin alongside swing classics from the libraries of Ellington, Basie, Miller and Goodman.

COLOURSCAPE

Saturday
29 June
Vine
Gardens

Colourscape is an amazing, exciting visual and auditory experience that delights visitors of any age. Its labyrinthine structure of interconnected chambers is alive with intense colours that have a remarkable effect on mind and body. Science meets art as music magically permeates throughout.
